A message from the Director

“Studying overseas is an exciting, life-changing experience that will set the foundation of your academic goals and career ambitions.

As a boutique English school, The Language Academy provides international students with a welcoming and supportive learning environment, empowering them to further develop their English proficiency, gain new perspectives and make new friends with fellow-students from all over the world.

Because we understand that studying and living abroad is challenging, our team endeavours to build confidence and character in each of our students to help them reach their desired outcomes. We, therefore, personalise our approach for each student to ensure maximum results.

We are thrilled to provide a high-quality English programme for international students seeking to meet the entry requirements of Australian schools. We look forward to being a part of your journey as you take your first steps towards becoming a fulltime international student in Australia.”

Pablo Carpio
Director of The Language Academy

Course Summary

Intensive General English - Full Time (0000461)

(CRICOS COURSE CODE: 099975D)

This course is for students who are seeking to lift their English levels to meet entry requirements for Australian high schools. It will equip students with the necessary skills to progress to the next level of competency, and it will also prepare them for the International English Language Testing System (IELTS) Exam. The IELTS Exam is one of the official exams that is internationally accepted and used to enter mainstream schools and universities in Australia and other countries.

The curriculum will give students the best opportunity to learn and use English in everyday life, and build confidence for a high school environment. This programme has been carefully adapted to high school students to create a smooth transition to enter Australian high schools.
